Re Discontinuation of the Dust Sensor: SM-UART-04L

To whom it may concern,

We have taken the difficult decision to stop manufacturing the dust sensor SM-UART-04L and all variants of this model.

Please inform us by EOB on April 15^{th,} 2022, if you would like to make a last-time buy. There are material cost increases and last time buys will need to be requoted.

Please reach out to your local account manager with any questions.

Regards,

Anis Ramell.
