Process Change Notice

PCN for quality improvement and rationalization of electromagnetic buzzer (SD)

<Background>

We would like to apply for the introduction of automation equipment in some processes for the purpose of eliminating the variation in work by humans and stabilizing the quality.

<About target products>

For details, please refer to the "Target Products" list in the attached document.

<About changes and about>

For details, please refer to the "Change contents" list in the attached document.

<Change schedule>

We plan to take appropriate measures from products shipped after January 2021.

In addition, we plan to discontinue production in the current process at the end of September 2021.

Planned Date: 2021/Sep	Response Date By: 2021/Sep/30	Last Order date for current spec: 2021/Sep/30

Attachment: Yes
