Qualification of an Alternate Test Site, Amkor Technology China for All Spansion® NAND Products

---

**PCN#:** 2886

**Issue Date:** September 18, 2014

---

**Overview:**

Spansion LLC is announcing the planned qualification of an alternate site, Amkor Technologies China, for electrical test of all Spansion® NAND product. This action is necessary to ensure sufficient test capacity and increase flexibility. Upon completion of this qualification, Amkor Technologies China will be considered qualified for the test of all Spansion NAND packages, all existing and future products. Existing and future Spansion NAND ordering part numbers (OPNs) may be tested at any qualified facility. See below for details:

**Product Identification:**

All Spansion NAND products are affected.

**Package Types Affected:**

All Spansion NAND packages are affected.

**Description of Change:**

Qualification of Amkor Technology China as an additional test facility for all Spansion NAND products.

**Reason for Change:**

A continuous improvement activity to increase test capacity and flexibility to support product.

**Application Impact:**

There is no expected impact on application, function, use or quality and reliability. There is no change to the datasheet.

**Earliest Possible Samples Available Date:** November 14, 2014
